**A NOTE FROM THE PASTOR**

The big liturgical news from our bishop, announced last week, is that we now have permission to sing at Mass. Since March we have followed the bishop's direction which allowed only a cantor to sing, and then only with 20 feet of distance or behind a plexiglass shield. Now, congregational singing is allowed, as long as we sing with masks on and sing in a subdued manner.

The other big liturgical news concerns Ash Wednesday. During a pandemic spread by saliva, it is wise to avoid skin-to-skin contact with others. (This is the reason we have eliminated the sign of peace.) On Ash Wednesday, it follows that it isn't a good idea to make contact with lines of people by placing ashes on each person's forehead. However, the pope has asked that we will follow a European custom, sprinkling a small amount of ash over the top of each person's head. This won't leave us with that distinctive witness value as we go about our business with a visible smudge on the forehead, but it is a nice reminder of the many scripture stories of people pouring ashes over the head.

Next weekend is the beginning of the annual *Catholic Schools Week*. We should be very proud of our parish school, especially during this pandemic. Our teachers and administrators have gone to great extra lengths to avoid the spread of the virus, to deal with quarantines, and to be sure that students can continue their studies if they must be quarantined or isolated at home. Good things are happening in our school.

We received word that Bob and Sally Weigand have left a very generous gift for the parish in their estate. Bob and Sally were active at St. Charles from the beginnings of our parish and their construction company was responsible for most of our buildings. Please remember them in prayer.

A letter and brochure will soon be arriving in the mail, and two weekends from now you will hear about our Offertory Increase program at Mass. The main goal of this program is not to raise money for the parish. Rather, the main goal is to help each of us live a deeper life of faith. If we take seriously our lives of faith, we have to recognize that all of our gifts come from God. Then, we need to carefully and intentionally look at how we are using our gifts. Stay tuned.

Finally, someone decided that priests are moderately essential workers in our society. I received the first dose of a COVID vaccine this week. I'm looking forward to the second.

Fr. Tom

**SENSORY FRIENDLY MASS**

The sensory-friendly Mass at St. Elizabeth Ann Seton Church, 10700 Aboite Center Road, has been temporarily moved from the first Sunday to the first Wednesday of the month at 6:00 p.m. until further notice. A sensory-friendly Mass provides a safe and comfortable setting for children and adults with sensory challenges, mental illness or any kind of disability to feel engaged and experience Mass in a meaningful way with family members and caregivers. It is open to others outside of St. Elizabeth Parish who would benefit from a sensory-friendly environment. Livestream: facebook.com/belongingFWSB. Contact Allison Sturm at 260.399.1452 or asturm@diocesefwsb.org for questions.

**ST. CHARLES VOCATION COMMITTEE**

Come after Me. Jesus called Andrew and Peter and James and John. He calls still in our day. Are you willing to drop your nets and follow? (Mark 1.14-20)

**"This Week in RCIA"**

January 26

This week in RCIA, we will take a look at the first three Commandments given to Moses on Mount Sinai.

These Commandments of the Decalogue concern our relationship with God. Commandments are meant not to be restrictions on our human freedom but rather a guide to what will truly make us happy. They are written into our very heart by what is called "Natural Law". This is a law placed inside of us to do good and avoid evil. In addition to the Commandments, we will also look at the distinction between mortal and venial sins. Please pray for our catechumens and candidates, Casey, Jacob, Graham, Brian, Todd, Julian, Natali, Caleb and Jessica as they continue their journey in the Rite of Christian Initiation of Adults.

## SCRIP NEWS

### REBATES REBATES REBATES

It's **Rebate Time!** – **SCRIP** rebate statements for the second half of 2020 are ready! If you have a St. Charles student, your statement should have come home with him/her this past week. If you do not have a student, you can pick up your credit statement at the **SCRIP** sales table during sales or at the **SCRIP** office.

Here are a few important things to remember:

- Please use your **SCRIP** credit! Whether you redeem it for school expenses, choose one of the parish ministries, or select to receive a rebate check, please use it. You can always donate it back to the church – every cent matters. Don't just lay it aside and forget about it.
- Please be sure to sign your rebate statement! We must have your signature in order to redeem it for you, even if you are donating it back to the church.
- **SCRIP** Rebates never expire! However, if you are not saving it for future tuition, it is a good idea to redeem it in a timely manner.

**Take a Closer Look at your Rebate Statement** – If your rebate was under \$10, count the number of orders listed on the statement; chances are there are less than 5. Your statement shows how much each of your purchases netted in rebates. If you had a single order that earned a rebate of just a few dollars, while that doesn't seem like much, imagine if you repeated that purchase on a weekly basis. You could potentially earn \$100 in a year! That would be \$50 for the parish and \$50 for you. If each parish family did that, the parish could potentially see **SCRIP** profit of \$100,000 a year and that would be pretty incredible.

2021  
MARCH  
FOR LIFE

## MARCH FOR LIFE—2021

Instead of an in-person march at the National Mall, the March for Life will be held virtually on January 29. A small group of pro-life leaders also plan to march in the capital that day to represent pro-life Americans everywhere.

The theme for the 2021 March for Life is **Together Strong: Life Unites**. More details about participating are available on the March for Life website, [www.marchforlife.org](http://www.marchforlife.org).

The annual march marks the anniversary of *Roe v. Wade*, the 1973 U.S. Supreme Court ruling that forced states to legalize abortion on demand. In the past four decades, more than 62 million unborn babies have been legally killed in abortions, and countless mothers and fathers have suffered physically and psychologically from their deaths.

### BDHS Trivia Night –

**Saturday, February 13, at 8:00 pm**

The event is virtual this year, with plenty of options to participate: on your own as a team of one, with a group of family or friends at one location, zoom with your team, or even have some of your teammates at different locations. Call us for more details! The entry fee is \$50 for a team of 1 to 4 players. Additional players are \$10 each, with a maximum of 10 players per team.
