## A NOTE FROM THE PASTOR

Young adults, ages 21-35, are invited to join in some prayer time and a bonfire this weekend. On Sunday evening, 6/23, a group will gather for the 5:00 p.m. Mass, followed by Adoration time and Benediction in the church and then a bonfire outdoors. See the bulletin or the website for information.

We have a quiet rectory for the rest of the summer. Fr. Phil has moved to SS. Peter and Paul in Huntington to help Fr. Tony. Our seminarian Juan Pablo has returned to Indianapolis for more discernment time.

Next Sunday is the annual Peter's Pence Collection. This provides funds which are used at the pope's discretion to help the poor in times of war, natural disaster and disease. This is a chance to help those who are suffering around the world.

A year ago May, a group of young adults led music at our Saturday evening Mass and then presented an hour-long concert of sacred music after. It was mostly a *capella* Renaissance music, and it was glorious. The group will be in town on two dates this summer, again offering sacred music lifted in prayer. On Saturday, July 27, they will sing from 8:30 - 9:30 at Our Lady of Good Hope. (The note I received says that this is "under the stars." This may be outside.) On Sunday, August 4, they will sing at 2:00 p.m. at Towne House retirement community and 7:00 p.m. at the chapel at St. Francis. Each event is free and open to the public

**Adult:** When have you been most blessed and when have you felt a little "broken" in your service to others?

**Child:** Why is it important to keep on giving, even when you are tired?

Dear Brothers and Sisters in Christ,

I want to thank the many of you who were so kind and generous to me over the past months here at St. Charles. I had the privilege of meeting so many good and wonderful people since last summer. I'm especially grateful to Father Tom, Father James and Father Dennis for putting up with me all this time. St. Charles is blessed with good priests and countless men, women and children who strive to love God and love their neighbor. Once again, thank you and may God love you.

In Christ,  
Father Phil

### RELIGIOUS FREEDOM WEEK June 22—29

In the face of our country's challenges, and challenges within the Church herself, Catholics find

strength in the hope of Jesus Christ. We want to share that hope with everyone.

Religious freedom gives us the space to carry out the mission that Jesus has entrusted to the Church. Religious freedom means that Catholics, and all people of good will, are free to seek the truth and to live in accordance with that truth, and so to strengthen our common life as a nation.

In the midst of our current challenges, join us as we seek the kingdom and find Strength in Hope.

Learn more at [www.usccb.org/ReligiousFreedomWeek](http://www.usccb.org/ReligiousFreedomWeek).

### Pentecost Collection For Seminarians Have you Made Your Pentecost Collection Donation

We meet the third and last Saturdays of each month at 9:00 a.m. in the Community Room off the St. Charles Gathering Space. We welcome all women to join us to share and grow in our faith.

## SCRIP NEWS

Using **scripnow!** - If going to the lake or traveling are your favorite parts of summer, then you probably find it hard to purchase **SCRIP** in the summer. Now you can continue to purchase **SCRIP**, wherever you are, using **Great Lake's** online program – **ScripNow**.

You can shop online and purchase **e-certificates** to many participating merchants, making it possible to continue to earn rebates on many of your purchases wherever you are. It's not just for traveling, I find it useful when I want to make a purchase from my armchair in the evening on Amazon or William Sonoma. If my family decides to go to the movies, I can go online and purchase e-certificates so that we earn rebates on our tickets and snacks. You never have to miss out on rebates again with **ScripNow**. Talk to one of the **SCRIP** ladies to get started.

**iTunes Cards** – Recent news about Apple's media programs made us a little nervous about buying and selling iTunes cards. So we did a little research and this is what we found:

**Apple is killing the iTunes app on the Mac in favor of three new apps in macOS Catalina this fall: Apple TV, Apple Music and Apple Podcasts.**

- But your music library will remain intact right in Apple Music, Apple says. You'll still be able to use iTunes gift cards to buy content, too.
- On Windows, iTunes will still survive. The changes mostly only effect MAC owners.

**SCRIP Potential** – I often look for examples to help our parishioners realize what their earning potential might be using **SCRIP**. This week on the news they were giving tips on how to save at the grocery store. In the report they estimated that the average family of 4 spends **\$875 - \$1,045/month** on groceries. If those numbers are correct, that means an average family using **SCRIP** gift cards to pay for those groceries could generate a profit of as little as **\$210** but as much as **\$502** over a year. Half of that profit benefits St. Charles but the other half of that profit goes back to **you**, the customer! Wouldn't you like to put **\$251** back in your pocket at the end of the year!
