NEXT WEEKEND COLLECTION (November 17 & 18)

CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

- **LEARN** about those living in poverty. • **ACT** and spread the word about poverty by passing along this flier.
- **CONNECT** with the work of CCHD by supporting the collection. • **PRAY** for those who benefit from this collection.

Too many people in our country find themselves living in poverty, and the barriers to breaking this cycle can sometimes feel impossibly large. But when people join together to work for more just communities, change can happen. Our faith calls us to walk with our brothers and sisters who find themselves on the margins of society and empower them to create change in their communities. With your support to the Catholic Campaign for Human Development (CCHD), this kind of lasting change becomes possible. When you support the CCHD Collection, 75 percent goes to national projects that address the root causes of poverty and 25 percent stays here in our diocese to empower our local brothers and sisters living on the margins.

Stable housing is often one of the first steps for someone trying to break out of the cycle of poverty. In Portland, Oregon, the cost to rent an apartment or buy a property has increased beyond what is possible for low and moderate income families. This has created a housing crisis leaving many people unable to find an affordable place to live. But with your support, working families can afford to live in their community and their homes

can remain affordable for generations to come. Through homebuyer support provided by CCHD funded groups, over 330 low and moderate income people now have homes and financial stability, bringing lasting change to their lives. In addition, your support provides training for people to gain tools for community organizing and opportunities for leaders to bring these issues to the public arena. With your help, residents have advocated for tenant protections and increased housing availability in their community.

The Catholic Campaign for Human Development (CCHD) allocates funds to community projects that promote the mission and vision of CCHD while adhering to the moral and social teachings of the Catholic Church. SCRIP NEWS

Thanksgiving Time! – Christmas isn't the only time when we are *"making a list and checking it twice."* Many of you have probably started your *"lists"* for the Thanksgiving feasts you'll share with family and friends. There are lots of **SCRIP** rebates to be had as you shop for your party supplies. When you shop our most popular **SCRIP** merchants - *Meijer, Wal-Mart/Sam's Club, GFS, Target, Jamison's, Feder's, or New Haven's Custom Quality Meats,* each purchase means cash back for the parish and for you. If you shop **Costco**, consider purchasing a **VISA** card for your purchases. Pick up a current order form to see if gift cards are available for the places you will be shopping.

Veterans Day – This weekend our nation will honor our military veterans. **SCRIP** would like to honor our **"SCRIP"** veterans as well. You know who you are and we appreciate your loyalty. So, each **"SCRIP vet"** who places an order of **\$100 or more, November 9 – 12**, will be entered into a drawing for a **"Veteran's Giveaway."** 

"New Comer" November – If you have never tried **SCRIP**, this is a great time to do so. The concept can be somewhat perplexing and often keeps some people from giving it a try. So, during November, we will keep track of all our new customers and each time our new customers place an order they will be entered into a drawing. **5** prizes will be awarded as our way of thanking our new customers. We welcomed **1** new customer last weekend, so their chances of winning are looking pretty good. Don't miss out on this great opportunity to try **SCRIP**.

Fun SCRIP Facts & Figures – If a family spends **\$100/week** on groceries x **52** weeks, they spend **\$5,200/year**. If they use **SCRIP** gift cards with a **4% rebate** to pay for those groceries, the rebate earned in a year is **\$208 - \$104** in parish profit and **\$104** in personal profit. Now imagine if **1,000** parish families use **SCRIP** to pay for their groceries each week for a year – that would mean **\$104.00** profit for the parish as well as **\$104** for **each** of those **1,000** families. Are you using **SCRIP** gift cards when you grocery shop?
