Grand Knights Message

Brother Knights:

Here's hoping you all survived the recent snowmagedon. Some may have stayed in the warmth of their homes. Others perhaps traveled to a warmer climate to avoid it all. Still others may have put on an extra layer (or two!), grabbed a sled, snowboard or skis and enjoyed it! Snow and cold weather typically precede the start of a new year. As Knights, our mission continues despite "bad weather". The needs of our families, parish and community aren't "weather" related. We need to provide time, talent and treasure when it's needed, as our founder, Blessed Michael J. McGivney would have done.

We have a number of opportunities for our 387 members to become engaged. The March for Life and Free Throw competition may be behind us as you read this. Upcoming are the Borromeo Bash and annual Fish Fry, both raising funds for executing projects for our parish community. Another of our Council/parish blood drives is on the horizon as well. Check out our calendar of events at kofc451.org to view all Council 451 upcoming events and use the imbedded links to sign up when volunteers are needed. Be sure to reach out to an officer or Brother Knight if you need help getting connected.

Vivat Jesus!

Dennis Holp

Anthony Wayne Assembly 239 Fourth Degree News

Sir Knights,

It is still very early in the year but there is a lot happening and much to prepare for. For you coffee drinkers, we now have a Keurig coffee maker donated by John Murray. We provided an Honor Guard for our bishop's visit to Bishop Luers HS on Jan. 14th. There was discussion about participating in Wreaths Across America, which will involve placing wreaths at veterans' graves at Lindenwood cemetery next December. There was some discussion on buying golf shirts with the 4th degree emblem. When details and pricing are determined that information will be made available to all members.

This year we will be marking the 250th anniversary of our country. Our declaration of independence from outside rulers and the establishment of our own country ruled by Divinely established human rights was a bold statement. It has worked exceptionally well. But it needs to be faithfully guarded. To mark this year our bishops are calling for the consecration of our country to the Sacred Heart of Jesus. Pope Leo 13th in 1899 consecrated the entire world to the Sacred Heart to combat the secularism threatening civil society. He was deeply concerned about the disregard for sacred law, the removal of Christian faith, and the banishment of God himself from the earth. We must do all we can to safeguard our Catholic faith and our country by supporting our bishops' efforts.

Our next meeting will be February 10th with the rosary at 7 and the meeting at 7:30.

For God, Country, and Neighbor

Mike Blankman, Navigator

**Meetings are held at the Saint Mother T. Guerin Chapel basement on the 2nd Tuesday of the month.
The Patriotic Rosary begins at 7:00 PM and the meeting begins at 7:30.**

FOURTH DEGREE FRIAR'S PHRASES

Have you ever been working on writing, maybe something important, and suddenly your focus is somewhere else? I am sure we all have! Maybe, because it is near Saint Valentine Day, while thinking about what great things to write about Anthony Wayne Assembly, a truly romantic story came to mind. It was about Sarah Chen. She is now rated as one of the world's best pianists. However, she was once a very shy and not a popular high school student, and she was thought to be one of slowest pupils in her grade level, even in music class. Nonetheless, through self-determination she took a great risk; she played for a school recital an extremely difficult piece of Chopin's music, The Revolutionary Etude. It changed her life of shyness to international acclaim. It is a great human story!

Now we could ask, what does this have to do with our Assembly? Probably not much, but it could provide an example for us. We have been talking and discussing doing several new projects; some asking that will stretch beyond our usual parameters. The shy girl became a world-famous star; our stardom among the Fourth Degree Assemblies in Indiana awaits if we are willing to take a small risk.

Continue to pray for each other, and for the canonization of Father McGivney.

FATHER WILLIAM J. KUMMER

FAITHFUL FRIAR

Science Fair 2026

Judging for the 2026 St. Charles School fair was held January 22nd, 2026. Students from the 4th and 7th grades presented their projects in person to the judges. As judges listened and reviewed the 174 projects, they were asked to identify a selective list of candidates to be considered for regional competition. This proved to be a challenge given the number of impressive experiments and scientific findings. In each case, the student met with a pair of judges to explain their project and answer questions giving the student a more complete experience. Knights volunteering as judges included: Joe Keefer, Vince Lochbihler, Dennis Redding, Dr. Jack Wehrly and Jim Yoder.
